

Tacha bags a life changing deal.

Popular BBN Pepper dem Contestant and Instagram Personality, Tacha has bagged an endorsement with popular Global Smartphone brand, Oppo.

The Queen of the Titans has been quite busy since her departure from the BBN tv show and has been into some quite interesting ordeals since then, making serious money moves.

Her Fan Base has taken to her page and their pages to openly congratulate and express delight at the endorsement. We hope to see how this endorsement will turn out.
